A MESSAGE FROM THE PRINCIPAL

Adult education provides lifelong educational opportunities and services throughout California. We at Fresno Adult School are proud to be a part of that statewide effort to address the unique needs of individuals and our community.

Offering a variety of programs, including career pathways and college readiness courses, we support our adult learners in our school district's vision of empowering our valued students, families, and staff to achieve their greatest potential. Through our courses in the areas of:

- High School Equivalency (HSE)
- English as a Second Language (ESL)
- High School Diploma (HSD)
- Career and Technical Education (CTE)
- Adult Basic Education (ABE)
- Community Education

We promote and foster the core values of learning, positive behavior, accountability, and providing a welcoming place where people and community are appreciated, informed and heard. I would like to affirm that the staff members at Fresno Adult School are working diligently to guide and support you in your educational goals. So do not hesitate to pursue the many options available to you at low or no costs.

ESL

ENGLISH AS A SECOND LANGUAGE

WHAT IS ESL? *Our ESL program is tailored for adult learners whose first language is not English. Whether you're looking to improve your communication skills for everyday life, the workplace, or further education, we offer supportive classes to help you succeed. Courses range from beginning literacy to advanced levels, with a strong focus on speaking, listening, reading, and writing.*

All new students take the CASAS placement test to determine their English proficiency and are placed in a class that best matches their needs. Whether you're just starting out or preparing for college or a career, our program is here to support your journey every step of the way.

Citizenship

- Prepare for the U.S. Citizenship Interview and Civics Test. Learn about American history, government, geography, and culture. Practice completing the N-400 application and receive one-on-one interview coaching.

Digital Literacy

- Perfect for beginners, this course covers computer basics like using a mouse, typing, email, and internet navigation. No prior experience needed.

ESL Beginning Literacy

- Designed for learners with little or no English. Focuses on basic communication, recognizing common words, and understanding simple signs and forms. Builds confidence in listening, speaking, reading, and writing.

ESL Beginning Low

- Learn to communicate basic needs and understand simple questions. Practice reading signs, labels, and short forms. Ideal for students with limited English experience.

ESL Beginning High

- Strengthen your ability to speak, listen, read, and write about everyday topics. Understand simple conversations and written materials like ads and schedules. Great for learners ready to move beyond the basics.

ESL Intermediate Low

- Develop your English for daily life and work. Improve your ability to follow conversations, read instructions, and write simple messages. Learn to summarize and find key information in texts.

ESL Intermediate High

- Enhance your communication skills for work, school, and community life. Understand detailed instructions, participate in discussions, and read more complex materials. Expand your vocabulary and use of idioms.
